} MANAGEMENT CONFERENCE

The Parties, through their respective counsel, request a further continuance of the Case Management Conference currently scheduled for February 17, 2011 in the above referenced case.

Good cause exists for a further continuance of the Case Management Conference for the following reasons:

1. The case is not at issue as the defendants have been served but have not filed a responsive pleading.
2. Plaintiffs served Defendants in or around December 2011. Plaintiffs granted Defendants' request to have until February 16, 2012 to respond to the pleading.

1 Therefore, a request is made that the Case Management Conference be continued for
2 thirty days to give Defendants an opportunity to file a responsive pleading.
